

WETLANDS AREA CLOSED TO BICYCLES

WELCOME TO BLUFF CREEK!

This trail was built by mountain bikers for mountain bikers. This is not a beginners trail. If you are new to this sport you might consider walking & riding the trail. Use caution. **ALWAYS WEAR A HELMET!**

This trail may prove to be frustrating at times. Think of this trail as your classroom of learning. Ride this trail on a regular basis and you will see your bike handling skills soar to new heights.

The double track that runs the perimeter of the open fields is also open for riding. It's good for a tamer ride and for aerobic exercise. Watch out for turtles, rabbits and deer...

RULES OF THE TRAIL

Riding on Public Trails is a **PRIVILEGE**. Ride responsibly! This is your trail, take care of it. Don't hesitate to ask others to do the same.

- * Ride on designated trails only. Do not short cut the trail. Follow the directional markets.
- * Leave no Trace. Please do not litter. Thank You for removing trash left by others. Brake properly, try not to skid. Trail is 'closed' for at least 24 hours after good rain.
- * Control your bike. Be prepared for the unexpected; like other riders, hikers and wildlife.
- * Always yield the trail. Bicycles yield to hikers. Be courteous.
- * Do not disturb wildlife.
- * Plan ahead. Maintain your bicycle. Wear appropriate clothing. Drink plenty of water.
